The Library Foundation of San Diego County

The Library Foundation of San Diego County was established in 2011 by the library Friends of San Diego County to provide lasting financial support through gifts, trusts, government and private foundation grants, corporate sponsorships, a book endowment and bequests for all of the branches of San Diego County.

The **mission** is to prudently use every donation in support of San Diego County Library.

The **purpose** of the Foundations is to: build a book endowment, provide funding annually to San Diego County Library programs, and to give community residents a vehicle for legacy planning and gifts to benefit San Diego County Library.

There are several planned gift options which include: cash, insurance policy, gifts through a will or a trust, charitable gift annuities, gifts of real estate or appreciated stocks and bonds. Your investment is a lasting legacy to meet the future needs of our libraries, citizens and community. Help protect the future of our libraries. Give for today, give for tomorrow.

The tax benefits are many. A gift to the library Foundation of San Diego County can provide substantial tax savings to the donor, which in effect reduces the cost of the gift. Contributors have the opportunity to be recognized and to join other donors and county residents through a variety of events.

All donations will contribute to the purchase of books, DVD's, music CD's, programs and services for children, teens, and adults.

For more information, please contact the Library Foundation of San Diego County @ 858-674-6979 Ext. 6733. Or e-mail at www.lfsdc.org

The Library Foundation is a proud affiliate of the San Diego Foundation.

Brochures are available at your local county library.
